June Program

Our speaker this month is Mary Hertel of Made by Marney. Mary (her nickname is Marney) is from Oshkosh, Wisconsin. After retiring as an art instructor, she began designing paper pieced patterns. She has designed more than 250 patterns and has several books to her credit. Her love for fibers and all things tactile continues to dominate her life, as she now has time to sew and create every day. Her farming background becomes evident in her subject matter, predominantly animals and nature. Her designs tend to be a bit on the "wonky" side, perhaps a nod from all those years working with children's art. Besides sewing and pattern designing, Mary enjoys solving puzzles. What better medium to work in than paper piecing!

August Picnic

This year's picnic will be a Swap Meet! For all of you that have been cleaning out, decluttering or destashing, and organizing, here is a way for you to share those items that need a new home. What is a Swap Meet? It is "an informal gathering for the barter or sale of used articles or handicrafts". Each member that wants to participate would bring their items to the picnic and then the fun begins! All items should be Free. The most important rule to remember is that at the end of the swap, whatever you have left, you must take home.

The Picnic will be held at Lincoln Park, Cabin 1. More details to come regarding the time and meal.
