Themed basket items the committee is looking for are; gardening and bird feeding items, children items (crayons, colored paper, silly putty, bubbles, etc.), quilting items. We are still collecting fat quarters. Other ideas include: any (new in package) items you can use in quilting (rulers, rotary cutters, scissors, thread, etc.). See Linda Londo with questions.

Mystery Quilt 2023

(Committee: Kathy Guralski, Ellen Buck, Ann Zeman, Joan Behnke)

We have another fun mystery quilt this year!

This particular pattern was created a number of years ago by a quilt designer and posted online as a free mystery quilt. The quilt will again give you an opportunity to use up some of your scrappy stash. Each month (February to June) you will receive a step. In June you will have the full pattern and hopefully by September we can all share what we have made. It will be fun to see how different each quilt can look with the various fabrics you choose. Below is more information and your first step for the month of February:
