From the President's Desk

As I flip through our little membership directory, I see the vast majority of you are friends who come to meetings and events pretty regularly. I do also know some of you live temporarily or permanently farther afield, but make an effort to be involved in retreats and our biannual quilt show. Thanks for participating in whatever you can! Please take note of the many opportunities listed in this newsletter edition: sew days, camp quilt retreat, mystery quilt, and our wonderful Charity committee which finds homes for the abundance of quilts you make to donate. All of these things, in addition to interesting speakers and programs at our meetings and the friendships we make contribute to make POLQ an organization worth your time.

~Ellen Lewellen

As I get older, I'm always walking into things.

Quilt shops and fabric stores mostly...

... so no complaints really.

National Quilting Day - March 16

Wanna learn something new and quick about QUILTING?

Mystery Quilt Clue #7 - Inner Border - Final Clue!!!

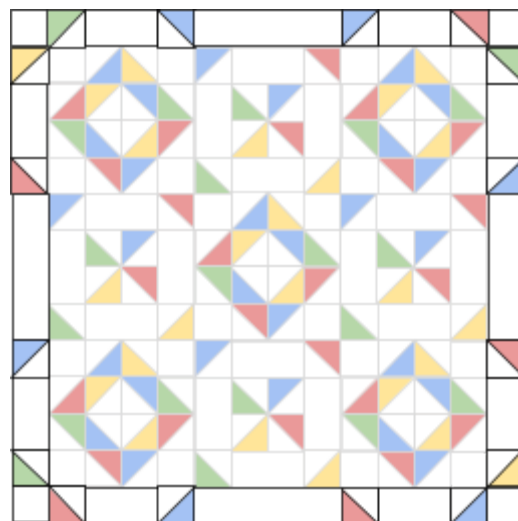

Clue #7 - Inner Border

	Table Topper	Throw	Twin	Full	Queen	King
# of blocks & arrangement	3x3	4x5	4x6	5x6	6x7	7x8
Background 12.5 x 3.5 inch	8	9	10	11	12	15
Background 6.5 x 3.5 inch	4	9	10	10	13	15
Half Square Triangles	12	16	18	20	24	28
3.5 inch background squares	0	2	2	2	2	2

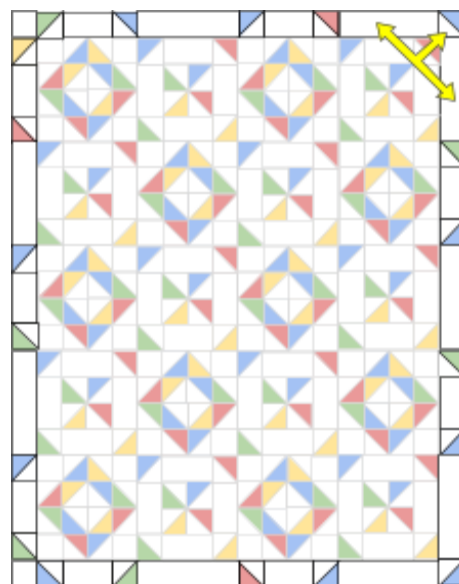

- Sew the HSTs to the 6.5x3.5 background rectangles with the points facing the same long edge.

- Arrange the units around your quilt, one side at a time, placing the HST/rectangle units next to the Block B/square, and the longer 12.5 inch rectangles along Block A/pinwheel.

- You may have sections where only the 12.5 inch background rectangle is going around a corner (see yellow arrows on quilt at right); add extra HST pointing out into these corners.

- Quilt can be complete as is, or add more borders.
- A suggestion is a finished 1 inch border, followed by a finished 3 inch border. Consider using remaining scraps to create a scrappy border.

Thanks for journeying along on this Mystery Quilt!
