From the President

I don't know about you but I really am not a fan of horror films. Yet it seems the network and streaming channels are full of them, even starting in September. However, I find QUILTS featuring black cats, bats and spider webs to be fun and adorable. Maybe you are a person who celebrates October and Fall harvest with pumpkins, scarecrows and baskets of apples. Have you made a quilt, pillow, wall hanging or table runner October themed? If so, why not bring it to Show & Tell at our October meeting? Pick your favorite one, even if you made it a long time ago. I can't wait to see it! Boo!

Quilt Show Charity Sew Day

2027 Quilt Show ~ GIFT BOUTIQUE

What's the Gift Boutique? The Gift Boutique is an opportunity to sell your handiwork at the Quilt Show (items don't have to be sewing related). The Boutique Committee (and helpers) beautifully display guild member's wares and handle the sales.
More info from the Gift Boutique Committee:

- For those members, especially our newest members, wanting to sell their wonderful creations in the Gift Boutique, any homemade items made by you are welcome. Here's a chance to showcase your talents and earn a bit of money to support your "fabric habit"!
- Any member is limited to display at any one time, a maximum of 12 items in any one of your categories (ie ≧12 potholders, ≧12 dishtowels). As sales are made, your supply may be replenished. Any extra items may be stored underneath the tables and should be placed in boxes or plastic bins with your name on it.

GIFT BOUTIQUE ~ Continued

- If you can display your items in a container, i.e., basket, bowl, decorative box - please do so, and put your name on the bottom of the container.
- The Guild retains 10% of all sales.
- An inventory list and sample price tag will be published in a future newsletter. We will also have them at upcoming meetings. We want you to use this uniform inventory list, as it will be much easier to keep an accurate record of all the sales.

- As to price tags, Walmart has a box of 100 strung marking tags by Avery, 1 3/4” x 1 3/32”, No. 6732.
- Please number your items consecutively.
- Each and every item must have a price tag attached to it with a safety pin. Please set your pricing at full dollar or half dollar amounts for ease in making change.
- Anyone wishing to donate gently used gift bags can bring them to our meetings. We will donate the tissue paper.

- We meet three people on each shift. Two at the checkout and one to help the customers by walking around and keeping an eye out for anyone wanting an item and “forgetting” to pay for it.
- You, or the person dropping off your items, will be asked to sign a disclaimer. The drop-off days and times will be announced later.

If you have any questions, please contact us.

2027 Quilt Show ~ PROPS

Hello from Props!

The Spool Monster is still hungry, so keep bringing those spools.

- Any Style Spool (wood, plastic, cylinder, cone)
- Empty or With Thread
  - Got some old spools with questionable quality thread? Thread that is fuzzy, brittle, sun exposed, or been sitting in that cookie tin for who knows how long?
    The Spool Monster is happy to take them off your hands.

There will be a bin at guild meetings to collect the spools.
Thanks You - Naomi

? ? ? ? ? 2026-27 MYSTERY QUILT ? ? ? ? ?

Dear Quilting Friends,

It's time for the 26-27 Mystery Quilt. There will be a new task every month from now until June 2027. The March task will be a short simple one since we will all be busy getting ready for the quilt show.

The finished quilt will measure approx 70" square. There are no curves, applique, or y-seams. It is scrap friendly or can be made with coordinated yardage. Please read all the cutting instructions before beginning. (In other words, don't be like me)

We hope you join us for this project. ~Cindy Dillman and Kay Olker

MYSTERY QUILT '26 - '27 - CONSTRUCTION STEP ONE

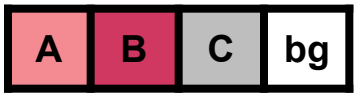

Flying Geese Units

Combine 6 bg fabric squares 7 ¼" x 7 ¼"
and 24 fabric A squares 3 ⅞" x 3 ⅞"
to make 24 A/bg flying geese units 3 ½" x 6 ½"
using the No Waste Flying Geese method.

FLYING GEESE BLOCK

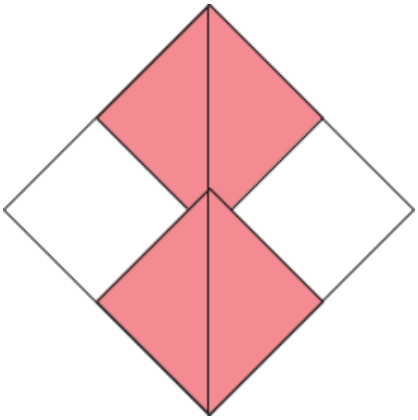

FABRIC COLOR KEY

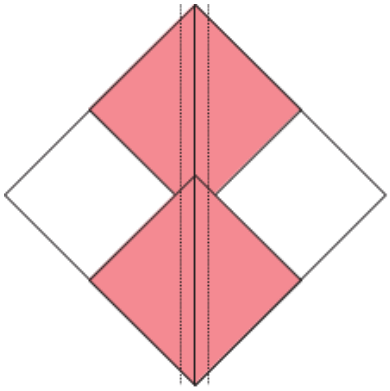

Helpful Tips:

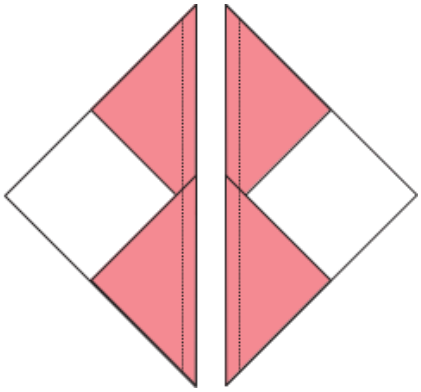

- Use a scant ¼ inch seam
- Make one set before you start chain piecing

1. Place 2 of the fabric A squares 3 ⅞ x 3 ⅞" on opposite corners of a bg square 7 ¼" x 7 ¼" right sides together.
The fabric A squares will overlap in the middle of the bg square.
Use a removable marking device to make a line diagonally across the fabric A squares *(solid line).*

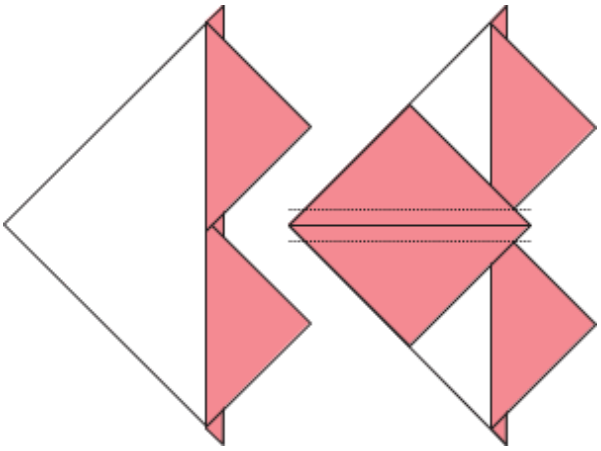

2. Sew a scant ¼" seam on both sides of the marked line *(dotted lines)* and then cut on the marked line *(solid line)*.

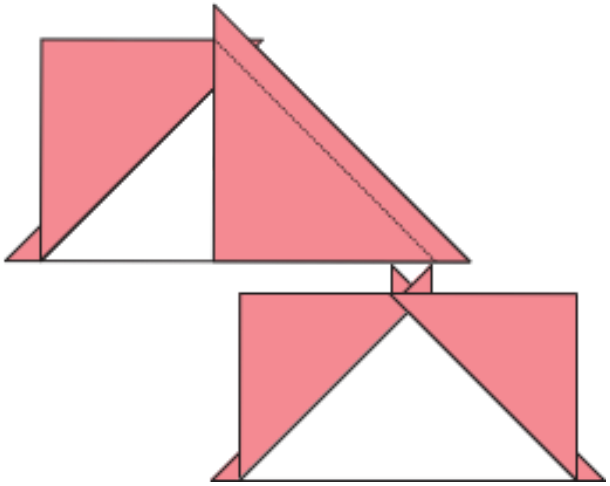

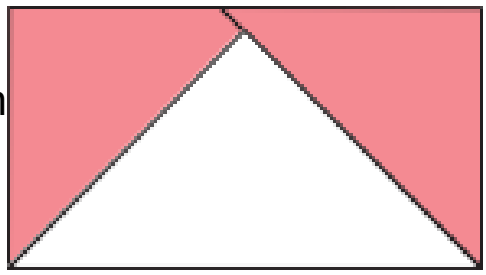

3. Press the seams towards the fabric A squares. *(You will have two of these intermediate units.)*
For each intermediate unit, place a fabric A square 3 ⅞ x 3 ⅞" on the corner of the bg square right sides together.
Draw a diagonal line on the fabric A square *(solid line)* and sew a scant ¼" on both sides of the marked line *(dotted lines).*

4. Cut on the marked line *(solid line)* and press the seams towards the fabric A squares.
Each set of 1 fabric bg square and 4 fabric A squares will yield 4 A/Bg flying geese.

5. Repeat steps 1-4 to make a total of 24 A/bg flying geese units.
Cut off tabs (also known as dog ears) and trim blocks to 3 ½" x 6 ½" if necessary, making sure there is ¼" between the point of the goose triangle and the edge of the unit.
